

REPUBLICANS SHOW GAINS.

Hopkins County Returns Reduce by 431 the 1903 Democratic Plurality.

DEMOCRATIC DEFECTION AND REPUBLICAN ORGANIZATION RESPONSIBLE.

Many Bryan Democrats Stayed Away From the Polls.

The Hopkins county vote was a surprise to Democratic leaders and to Republicans. It was thought that the defection of Bryan Democrats from the Parker ticket would be a factor in the fight and the Republican Campaign Committee believed in the quiet organization they had effected in the county. But that the Democratic plurality of 748 in the gubernatorial election of last year should be reduced by over 400 was not considered probable by the Democrats and was hoped for only by the most sanguine Republicans. Both the Bryan defection and the Republican organization, however, have proved to be strong factors and the Democratic majority in the county has been cut from 748 last year to 317 this year on the unofficial returns. These figures are practically accurate but may be changed a few votes either way by the official count.

The Democratic loss in majority is an average of about 17 votes to each of the 26 precincts of the county.

Figuring by gains and losses in precinct majorities the Democrats made gains in only two precincts, Dawson 24 and Ashbyburg 15. In Dawson the gain was occasioned by changes in the population during the past year, a number of Democrats having moved into the precinct and Republicans moved out during the past year. The Democrats lost in majorities in fifteen precincts, ranging from 2 in Charleston to 22 in Nortonville and in West Hanson, 23 in White Plains, 28 in Dalton and 31 in Kitchen.

The Republicans sustain loss in precinct majority in but one precinct out of the twenty-six. St. Charles, which fell 8 behind the Republican majority there in the 1903 election.

Republican gains by precinct majorities shown in seven precincts range as follows: Mortons Gap, 45; Lake Earlinton, 44; Kitchen, 41; Elk, 36; Haley, 33; North Nebo, 16; Hecla, 10.

The Democrats have lost to the Republicans 72 in majorities in the three Earlinton precincts, while but 25 increase in the total Republican vote in these precincts is shown by the returns. The Democratic decrease in these three precincts is 47, divided as follows: Lake, 31; Northeast, 13; Hecla, 3.

Comparing the total vote polled by the two parties in the various precincts there is a remarkably unanimous showing of Democratic defection. There are only three precincts out of the twenty-six that polled a greater number of Democratic votes than in 1903. These are St. Charles, 22; South Nebo, 2; Ashbyburg, 9.

The other twenty-three precincts show Democratic losses in total vote polled, ranging from 2 in Old Salem to 31 in Lake Earlinton, 35 in Kitchen and 40 in West Hanson. Ten precincts show Democratic losses in totals ranging from 20 to 40.

Twenty-three precincts show Democratic losses in totals of 430; three precincts show Demo-

ELECTED BY UNPRECEDENTED MAJORITIES.

All the Doubtful States Fall Into the Republican Column.

THEODORE ROOSEVELT.

CHAS. W. FAIRBANKS.

cratic gains in totals, 33. Fourteen precincts show Republican gains in totals of 140; twelve precincts show Republican losses in totals of 111.

In the County Judge race K. B. Bradley, Democrat, defeated Letcher R. Fox, Republican, by a plurality slightly less than shown at the head of the ticket. Fox led the Republican ticket by 15 in Court House, 3 in Mill and possibly other precincts. Bradley is ahead slightly in some precincts reported. These figures will be shown when the complete official returns are available.

A table of the unofficial vote of the county is printed in this issue.

A Card of Appreciation.

We wish to thank our many friends, both white and colored, who worked so faithfully and assisted us so materially the morning our school building was burned. FRANCES A. YOUNG And Pupils of Hecla School.

PAINTFULLY INJURED.

Mrs. Landrum, Wife of K. P. A. President, Meets With Accident.

Mrs. Landrum, wife of Editor Louis Landrum, of the Central Record, met with a serious accident last week. She took the railroad track to avoid the dust and in crossing a cattle guard she fell, striking the iron spikes, one being driven in her hip, another in her knee, while a third made an ugly wound. Dr. J. B. Kinnard was called and after dressing the wounds, thought there would be no complication to prevent recovery.

Mortons Gap Elects Democratic Mayor. Maj. F. B. Harris, Democrat, was elected mayor of the little city of Mortons Gap by a safe majority. Democratic councilmen were also elected.

The puna is the largest animal of the cat species to be found in the United States, at times attaining a length of six feet.

EPWORTH LEAGUE

Program for the Big Rally Sunday Evening, November 13, Is Announced.

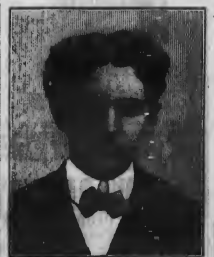

PROMINENT MEN WILL SPEAK.

Everything is in readiness for the big Epworth League rally at the M. E. Church, South, at 7:00 o'clock Sunday evening, and the management expects a very large attendance at that service.

MR. I. BAILEY.

Mr. Bailey is prominent as a business man, Epworth Leaguer, and has for several years been a recognized leader of the Y. M. C. A. of Madisonville, his home. He has consented to deliver an address Sunday night.

MR. WM. J. BURTSCHER.

Wm. J. Burtcher, president of the Union Epworth League of the City of Evansville, has ac-

cepted an invitation to deliver one of the addresses of the evening. Mr. Burtcher is a speaker of some note and an earnest Christian gentleman.

Mr. Ben Ashby, who is known to be one of Madisonville's most enterprising gentlemen, and a worker in the church, Epworth League, Young Men's Christian Association and every other Christian movement, will be here and will deliver an address.

MR. C. C. RAMBO.

Mr. C. C. Rambo, of Madisonville, one of the League's devoted champions, has consented to speak at the rally.

The speaking will be supplemented with a delightful program of musical numbers rendered by local talent.

A cordial invitation is extended to the public. Police-ushers will be at the door and all visitors will be given every attention possible for their comfort.

The church will be decorated with Epworth League colors, old gold and white.

The Program.
Opening Hymn of Praise—Choir.
Prayer.
Voluntary—Organ.
Introductory—James E. Fawcett.
Duet—Celeste Moore and Geo. Robinson.
Address—I. Bailey.
Solo—Lucy Fawcett.
Address—Wm. J. Burtcher.
Duet—Lizzie Dean and Annie Ashby.
Address—Ben Ashby.
Quartette.
Address—C. C. Rambo.
Remarks—President Morelan.
Closing hymn—Choir.
Benediction—"So teach us to number our days that we may apply our hearts unto wisdom."

KENTUCKIANS AT THE FAIR HAVE BEEN WELL WATERED.

No Money Spent for Whiskey by World's Fair Commissioners and No Kentuckians Arrested.

CONSUME 800,000 GALLONS WATER.

St. Louis, Mo., Nov. 4.—Kentucky, famous both for the quality and quantity of the whiskey it produces, has made a record on the water wagon, as will be evidenced by the statement that at the close of the Louisiana Purchase Exposition nearly 800,000 gallons of water will have been consumed in the Kentucky building at the World's Fair.

No whiskey has been bought by the Kentucky Commission, and all that has been used was the gift of distillers of that State.

"Hundreds for water; not one cent for whiskey," was the Declaration of the Kentucky Commission at the opening of the exposition, and it has been carried out to the letter. The water bill at the end of the exposition will have amounted to \$23,049.75, at the rate of three cents per gallon for 788,325 gallons.

For the use of Kentuckians and other visitors to the State pavilion a modern water fountain was installed, and that ice water was the more popular beverage among these people, who are supposed to have such an especial fondness for something stronger, is attested by the enormous quantity consumed. It is understood that there is some whiskey to be found in the building, but it has been used only for medicinal purposes.

No Kentuckians have been arrested, either by the Jefferson Guards or the World's Fair police, upon any charges whatever since the opening of the exposition. Several citizens of that State are on the Jefferson Guard, and they have proved to be of the very best service to the officers.

BADLY BURNED.

Mrs. Harris Simons Has Narrow Escape While Burning Trash and Leaves in Her Yard.

Mrs. Harris Simons had the misfortune to have her hands and arms badly burned while burning leaves and trash in her yard Tuesday. She had set fire to a pile of leaves and was sweeping more leaves on the burning pile when the wind blew her dress over the fire. In a second the dress was in a light blaze on one side. Mrs. Simons with rare presence of mind caught the dress above where it was burning and tightly twisted it together, thus preventing the blaze from running higher and finally smothering it out. In doing this, however, her hands and arms were badly burned. Several passersby saw the accident and hurried to her assistance, but before they arrived the flames were extinguished.

Reduced Rates to Ex-Confederate Reunion.

Reduced rates for the ex-Confederate reunion at Pewee Valley of one cent a mile each way, plus 25 cents, have been made. This reunion will begin tomorrow and it is expected a large crowd will attend, as not only the veterans but the Sons of the Confederacy and Sons of Veterans will also attend.

Webster County Free Delivery.

The announcement comes from Washington that Smith Childers has been appointed rural carrier on a free delivery route out of Providence, and W. E. Sims is named as substitute.

Ayer's

Give nature three helps, and nearly every case of consumption will recover. Fresh air, most important of all.

Cherry Pectoral

Nourishing food comes next. Then, a medicine to control the cough and heal the lungs. Ask any good doctor.

"I just used Ayer's Cherry Pectoral in 1900. I have seen terrible cases of lung disease cured by it. I am never without it."

ALBERT G. BARTON, Marietta, Ohio.
Dr. J. M. Allen, St. Paul, Minn.

for

Consumption

Health demands daily action of the bowels. Aid nature with Ayer's Pills.

SHORT LOCALS

Fresh oysters, W. L. Walden's.

You are invited to attend the League rally Sunday evening.

Nice strip bacon at 11 cents per lb. at Adams & Sullivan's.

The Rev. Howard J. Brazelton preached to large audiences Sunday morning and evening at the Christian church.

The Rev. J. E. King, pastor of the M. E. Church, South, filled his pulpit Sunday and delivered two very forcible sermons to a large congregation.

Fresh oysters, W. L. Walden's.

The Epworth League rally at the M. E. Church, South, promises to be the biggest day in the history of the local League.

J. W. Wilson, candidate for county judge, was here Wednesday shaking hands and making votes.

17 lbs. granulated sugar for \$1 at Adams & Sullivan's.

Mr. Joseph Morgan, who returned from Louisville about three weeks ago on account of sickness, has been gradually sinking and it is not thought that he can survive much longer.

Rev. Howard J. Brazelton, wife and baby arrived Thursday night from Richmond, O., and have engaged board and lodging with Mr. O. P. Webb, on Railroad street.

Fresh oysters, W. L. Walden's.

If men would exercise the same amount of zeal in religion and devote the same amount of argument, time and money to it they do politics, they would conquer the world for Christ in a short time.

On account of the many earnest requests of Earlington citizens Mr. C. G. Pfaffenhouer has decided to organize a military band. Persons desiring to become members should see him at his place of business.

Mr. Childers, who lives in the corner house near the M. E. Church South and who has been ill for so long with typhoid fever, is still in a critical condition and needs constant nursing.

A great treat is in store for our theatrogoers in the promised big scenic production of "Humpty Dumpty" with Geo. H. Adams in the title role, at Temple Theatre Nov. 14. The organization is not only a large one, but a notable one, as it contains some of the best known pantomimists and musical entertainers in the profession of today. The production is identical with that formerly given by Dickson & Mustard and as presented in all the larger cities, being complete in every detail with its kaleidoscopic transformations, tuneful music, up to date acrobats, singers and dancers, contortionists and entertainers.

FROM SOUTH AFRICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: 'A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy test the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby.' This remedy is for sale by St. Bernard Drug Store, Earlington; B. T. Robinson, Mortons Gap; Jno. X. Taylor, Earlington.

PERSONALS

Mrs. Ed Wise visited relatives in Madisonville last week.

Misses Mayme and Blanch Bishop, of Madisonville, visited Earlington last Friday.

Mrs. Strother Hancock, of Earlington, spent Thursday in Madisonville.

Miss Lella Ryder, of Dawson, is the guest of friends here.

Mrs. Ed Rule was in Madisonville Saturday.

Mr. Dustin left Saturday for Jeffersonville, Ind., to spend a few days with homefolk, returning yesterday morning.

Mr. and Mrs. Will Morton and children and Mr. Ed Hendricks, of Madisonville, visited friends here Sunday afternoon.

Miss Amelia Price, of Madisonville, visited her brother, Paul Price, Saturday and Sunday.

Miss Mabel Martin is visiting friends in Springfield this week.

Dr. and Mrs. E. A. Chaffin and Mrs. Rabe, who have been in St. Louis a few days, returned home Monday.

Mr. and Mrs. Glanville, of Providence, were here this week visiting Mrs. Kate Pike.

Mrs. Harry Corey was in Madisonville Monday shopping.

Mr. Coughler and wife left Wednesday morning on a two weeks' visit to friends in Webster county.

Miss Ola Shaver, who has been working in the telephone office in Madisonville, returned home Saturday.

Mrs. Jeff Murphy was in Madisonville Monday shopping.

Mrs. Rosser and son, of Howell, who visited friends here several days recently, have returned home.

Misses Lizzie Dean and Mary Mothershead and Joe Mothershead visited Miss Birdie May Hall, of Madisonville, Sunday afternoon.

Mrs. Pingree Shaver and daughter, Miss Ada, are visiting in Nashville this week.

Messdames A. F. and J. E. Fawcett were in Madisonville Monday shopping.

Miss Lucy and Marcia Duffy, of Elkton, are visiting the family of Mr. and Mrs. P. O. Duffy.

Thurman Rudd and L. Lacey left Tuesday morning for St. Louis and the World's Fair.

Bob Hale, of St. Louis, is visiting relatives here this week.

Miss Sue Ford, of Hecla, visited Miss Richie Stone Monday.

Mr. and Mrs. Rice, of this city, spent Sunday in Hopkinsville visiting relatives.

Mr. E. F. Doudna, of Madisonville, was here Tuesday on business.

Clarence Lynn and family and Mr. and Mrs. D. E. Lynn spent Sunday in Madisonville with their sister, Mrs. Chas. Lindsay.

J. M. Victory, who has been at Hot Springs for his health returned Tuesday much improved.

The following attended the ex-Confederate reunion held at Pewee Valley Friday: Maj. F. B. Harris, Mortons Gap; Folk Laffoon and S. F. Brown, of Madisonville.

Folk Blair went to Keysburg, Ky., Tuesday to vote and returned here Wednesday.

Master Ellisha Blair, who has been visiting his grandparents, Mr. and Mrs. John Blair, of Keysburg, several weeks, returned home Wednesday.

E. L. Hendricks, of Madisonville, was here Wednesday.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in this preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Louisville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect."

For sale by St. Bernard Drug Store, Earlington; B. T. Robinson, Mortons Gap; Jno. X. Taylor, Earlington.

J. Y. Montague has just recovered from an illness of a few days, and is now able to shoot trouble, collect bills and attend to his duties as manager of the local office of the Cumberland Telephone Company.

Cards are out announcing the marriage of Prof. D. W. Bridges, of Greenfield, Tenn., and Miss Nancy Lee Jacon, of Cadiz, Ky., on Wednesday, Nov. 28. Miss Jacon visited her cousin, Mrs. Crutcheff, last summer and is a lovely, attractive girl.

How's This!

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, O. We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by him.

WALDING, KINMAN & MARVIN. Wholesale Druggists, Toledo, O. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all Druggists. Take Hall's Family Pills for constipation.

The hour for the Sunday evening service at the Christian church has been changed from 7:30 to 7 o'clock and that of the evening prayer meeting from 7:45 to 7:30. The subjects of next Sunday's sermons will be "Building for God," and "A Great Preacher, a Great Pulpit, a Great Sermon."

The Best Liniment.

"Chamberlain's Pain Balm is considered the best liniment on the market," writes Post & Bliss, of Georgia, Vt. No other liniment will heal a cut or bruise so promptly. To other affords such quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pain in the chest. Give this liniment a trial and you will never wish to be without it. Sold by St. Bernard Drug Store, Earlington; B. T. Robinson, Mortons Gap; Jno. X. Taylor, Earlington.

Shoes, winter underwear, pants, overalls, caps, work shirts, fancy shirts cheap. ADAMS & SULLIVAN.

Rev. B. T. Watson, pastor of the Cumberland Presbyterian church in Nashville for the past three years and well known here as an able minister, has resigned the Madisonville and accepted the pastorate of the C. P. church in Providence.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It is a pleasant, palatable household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

LOCOMOTIVE BLASTS

Fireman O. M. Grimwood is spending a few days at the Fair at St. Louis.

The next annual convention of the National association of Railway Agents' will be held at Denver, Col.

A. H. Crawford, engineer at Empire Hill, on pushing engine, is off on a leave of absence, taking in the Fair.

There is a movement on foot with the leading railroads of the country to urge the next congress to pass a law that will put the railroad ticket scalper out of business.

E. S. Hedgecock, chief clerk to the Supt. Machy., and Dennis E. Kelly, traveling engineer, were at Howell last Thursday.

The young engineers who have recently put to running are, L. L. Patterson, J. B. Yount, Eng. Dumont and A. F. Smith.

E. J. Young, general foreman, at Howell, spent Friday and Saturday at St. Louis with his nephew from Pennsylvania.

J. B. Huff, foreman round house, and family have returned from Baltimore, Md., where they have been visiting relatives.

John Franklin, a section laborer, had the misfortune to have two fingers smashed the other day while loading rails.

Morris Gee, the extra steam wrecker engineer at Nashville, was at Howell Monday to see about going out firing on the Henderson Division.

An I. C. train running at full speed struck a hand car not long since between Howell and Henderson.

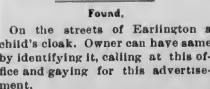

Switch engineer Con Bohann, of Earlington, is visiting in Howell his family.

A brakeman in Evansville was asked the other day how he would vote this time, to which he replied, "by machinery."

Letters of an engineer to his master man, No. 3. Dear Sir: I am pleased to report that we were only 24 hours behind time on this trip. To begin with we had to stop along the line to let the crew, as well as some of the passengers vote. Next thing, I had a green fireman, who, owing to the track being so outrageously rough, could not stand up while the train was moving, let alone throwing in coal. Consequently I had to stop the train every mile or so for him to put in a fire. After a while, however, he was able to fire the engine while the train moved slow, but this did not seem to please the passengers, as one was overheard to remark that he believed he would get off the train to see which way we were moving. There were also several officials on the train of the narrow-minded narrow-gauge road which is our rival. The conductor told me he heard one say that "you never know what good railroad you are doing yourself until you see the bum railroading done by others." Yours truly,

Counterfeiting the Genuine. Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons. For sale by John X. Taylor.

Foind. On the streets of Earlington a child's cloak. Owner can have same by identifying it, calling at this office and paying for this advertisement.

GEO. A. ADAMS.

Telephone No. 47.

THURSDAY, NOV. 10, 1904.

Thus falling off in Democratic majority from last year in Hopkins county and in Kentucky is easily explained.

The chief cause in Hopkins county and perhaps throughout the State is the defection of the staunch Bryan Democrats, who remembered well the denunciation heaped upon Judge Parker by the free silver champion immediately after the nomination was given him. In a speech at Chicago Mr. Bryan said: "Judge Parker is not a fit man to be nominated, either by the Democratic Party or by any other party that stands for honesty and fair dealing in politics."

As we said last week the things that Mr. Bryan said against Judge Parker then outweighed his more recent criticism of President Roosevelt. This is proven by the returns, not only in Hopkins county and in Kentucky, but all over the country. Even in the East Judge Parker failed to show as much strength in places as Mr. Bryan carried when he was at the head of the Democratic ticket. This is a surprise to most people but is a fact nevertheless.

It looks as if Mr. Bryan is to day the biggest man in the Democratic party and it will be no surprise to see his threatened plans of reorganization begin actively to form now that the election is passed and he is relieved of the necessity of stumping in favor of a ticket in which he did not believe. We predict that Mr. Bryan will dominate the party organization in 1908.

SOME of our railroad friends in the Earlington yard have developed to perfection an owl call which has some occult meaning so far as the general public is concerned and which is sounded repeatedly all thro' the night. There is nothing harsh or clamorous about it and it deserves commendation as a melodious improvement on the erstwhile blood curdling shrieks which, in former times, literally blew peaceful citizens out of their beds and often made the sleep of children one wild nightmare. The night call of the Earlington switch engine now is like the contented and unobtrusive "Who-who-who-who-are-you" of a mammoth owl, and bears in its note so much kindly consideration for our sleeping citizens as to deserve special commendation. The inventor of the owl call deserves a friendly blow out and a melodious vote of thanks.

Young Men's Christian Association.

EDITOR BEE:—The convention of the Young Men's Christian Association in Madisonville last week, marks a period of advancement in the history of the county. Any institution which has for its ultimate aim and end the betterment of society in general, and of the morals of young men in particular, cannot be too highly commended by the people of the county. Christianity, of which the church is the exponent, is the groundwork and mainstay of good morals and good government in the state and nation, and its auxiliary organizations, among which the Young Men's Christian Association may be classed, have claims of undoubted merit upon good people and good society. While this is true, it is not wholly the account of the augmentation of church membership, which may be said to be one of its natural offices, but rather for the care, encouragement and growth of those who are already members of the church and

well as other young men who naturally seek comradeship of some kind. The church may be likened unto a great passenger train running from time to eternity; and the Y. M. C. A. to the express car on that train. Separate and distinct bodies, yet both are traveling in the same train, and same direction to the same destination. It seems that there came a time in the growth and expansion of this great Gospel railroad, when a special car was found to be a convenient, if not a necessity, for precious packages liable to be lost or damaged in transit, and the Y. M. C. A. was incorporated and attached to the train, and up to the great throbbing, pulsating engine. It has remained there ever since. It has been found that this y m c a is the very a c m y-or, if you insist on orthodox orthography—the very a c m e of success in its appointed sphere.

A Physician Healed.

Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success."

Sold by Jno. X. Taylor.

FINAL SERVICE.

Rev. Brazelton Preaches Farewell Sermon to Church at Ironton, Ohio.

The D.ily Register has the following to say of the new Christian minister, Rev. Brazelton, who has accepted a call to this place: "Last evening was the final service of Rev. Howard Brazelton, as pastor of the Christian church. He preached a sermon on the 'Significance of the Ministry.' He laid especial emphasis on the fact that an important part of the work of the ministry is the personal influence of a correct life lived in close touch with the people. Some of the members of the church thought that the sermon was the best one he had ever preached here."

At the close of the sermon D. J. James took charge of the service, and for the congregation spoke of the excellent work Mr. Brazelton had done here and of regret which the people had in his going. Miss Mayme Wartuel presented resolutions of appreciation. John Bartlow moved their acceptance and Richard Buckle seconded the motion which was passed by a rising vote of the church. The resolutions were as follows:

"Whereas, It has become necessary on account of condition of health for Brother and Sister Brazelton to leave this city and give up the work here; be it therefore

"Resolved, That in the loss of those two people this community loses two faithful, consecrated Christian workers, the church here loses one of the ablest and most devoted preachers that has ever ministered to it. This is true for two reasons: his earnest and fearless presentation of truth and the kind and tender manner in which it has been presented. Be it further

"Resolved, That we as a people will hold them in grateful remembrance for this work's sake. Our prayers are that the blessing of God may ever follow them and that their labors may be crowned with success in whatever field they may be called to labor."

Mr. Brazelton responded to the kind words of appreciation as well as he could with the deep feeling which they stirred up. He spoke of how much he regretted leaving and urged the church to stand by the next minister as they stood by him.

Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kan., writes: "My husband lay sick for three months. The doctors said that he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six months ago. Since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c, \$1.00. Sold by St. Bernard Drug Store.

A THOUGHT FOR THE WEEK.

Breathes there a man with soul so dead,

Who never to himself has said,
"My trade of late is getting bad,
I'll try another ten inch ad?"
If such there be, go mark him well;
For him, no bank account shall swell;

No angel watch the golden stair
To welcome home a millionaire.
The man who never asks for trade
By local line or ad displayed,
Cares more for rest than worldly gain,

And patronage but gives him pain.
Tread lightly, friends, let no rude sound
Disturb his solitude profound.

Here let him live in calm repose,
Unthought except by men he owes,
And when he dies, so plant him deep
That naught may break his dreamless sleep!

Where no rude clamor may dispell
The quiet that he loved so well,
And that the world may know its loss,

Place on his grave a wreath of moss;
And on a stone above, "Here lies
A chump who wouldn't advertise."

Grandma Croft Dead.

After an illness of several weeks, caused by a fall, Mrs. Phillips Croft, familiarly known as "Grandma," died at the home of her daughter, Mrs. George Haley, Tuesday evening at five o'clock.

Mrs. Croft was past ninety years of age and was loved by a large number of friends and acquaintances. She was interred at the Earlington Cemetery Wednesday at two o'clock. Rev. H. J. Brazelton, the Christian minister, conducted the service. The funeral was largely attended. The order of the Golden Cross attended in a body. One son and a daughter survive her.

A Card.

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough and heals the lungs. Prevents pneumonia and will cure incipient consumption. Contains no opiates and is safest for children. Ask for Foley's Honey and Tar and insist upon having it. Stops the cough and heals the lungs.
Sold by Jno. X. Taylor.

An honest laugh may have more religion in it than the most pious logic.

Are Your Boys Ready for School?

They may not be in the matter of inclination to go, but go they must. And they may be short of clothes. And here is where we can help you to get the boys ready; because a boy with good clothes on is much more willing to go to school than he would be shabby.

School Clothes in Now.

The major portion of our Fall 1904 purchase is in stock now, and we are very, very willing—yes, anxious to show you their superiorities.

Our clothes are the good fitting kind. You want your boys to look tidy and comfortable in their clothes, don't you? We pay close attention to detail in our Boys' Clothing. You can look through a crowd of boys and pick out our suits. They fit like men's custom clothing. In our Boys' Coats you notice well padded shoulders, stiff front, sleeves put in right, and not the least important of all, a snug fit in the collar. They cost very little, if any more, than common, thrown together stuff, and your boy knows he is dressed right—that no city chap can look back over his shoulder at him.

If you want your boy to look better than the common run, buy his clothes of us.

BEFORE PURCHASING YOUR

NEBO NOTES.

Dave Eudaley, of the L. & N. railroad, came home Saturday to see his parents. He returned to Earlington Monday morning.

We regret to record the death of William Clark, of Manitou, with typhoid fever. He was about 21 years old, the son of Joshua Clark, and was buried at the Union cemetery Tuesday afternoon.

Tuesday was election day and everything was quiet. A full vote was polled.

A. C. Walker, of Cairo, visited the family of George Sights last week.

Roll Parish, of the Island country, left last week for California to make his future home there.

Fred Durham, who went to the St. Louis Fair, returned home Saturday.

Mrs. Lucretia Alexander, wife of Ed Alexander, of the Manitou country, died at Providence last Thursday and was buried at Union graveyard Friday.

Uncle Tommy Northern, of Providence, was in Nebo Monday.

Elder Moore, of the Christian church, filled his regular appointment at Nebo Sunday morning and evening.

News was received here early Monday morning of the death of Mrs. Myra Montgomery, wife of John Montgomery, one of the oldest and best known citizens of Providence.

James Kennedy, of Providence, died last Wednesday night in the 86th year of his age. He had his usual health to within a few hours of his death.

The band wagon gave us a visit Tuesday night of last week. We see someone estimated the crowd at 800. We would like for that fellow to count our money if he could increase it in the same ratio. The speaking that followed was not an appeal to the reason, but to the prejudice of the people.

Bob Thomas, of Madisonville, was here Monday.

Some days since fines were assessed against certain property owners of this place for not removing their fences from the street after being notified to do so. On Saturday an injunction was served on the proper persons, enjoining the town from collecting the fines assessed. As to what the final result will be, we cannot say, but one thing we do say, that there is going to be a considerable bill of costs attached to one of the other will have to pay. Not only that, but hard feelings will be felt among our people. A sad state of affairs.

But very little corn has been gathered yet, but farmers say that the yield is good.

Nothing is doing in the tobacco market yet and the old crop has not been shipped as yet.

Very few hogs are being fattened for shipping, but plenty for the home market. Taking it altogether, the prospect for hog and hominy is good.

John King, of the Dalton country, is seriously ill of typhoid and pneumonia. His condition is considered critical.

Surprise Party.

A party of young people gave Miss Blanch Edmondson a surprise party Monday night. The party was gotten up to visit the coke ovens but were unable to secure a chaperone and concluded to turn it into a surprise party. They played several games, had music and enjoyed the evening greatly.

Attractive Party.

Mrs. Jno. B. Atkinson gave an evening party Monday, at which a number of Earlington and Madisonville friends were entertained. Flinch served as a vehicle of social intercourse and refreshments of autumnal suggestiveness were served, the pumpkin and the golden rod designs predominating. Yellow chrysanthemums were the flowers used. Attractive first and consolation prizes were given. The guests from Madisonville were Mr. and Mrs. C. L. Ross, Mr. and Mrs. M. J. Clark, Mr. and Mrs. Smith Dulin, Mr. and Mrs. W. C. Morton, Dr. and Mrs. W. P. Ross and their guest, Miss Yise, of Paducah, Mrs. H. H. Coleman, and Mr. Chit Ruby. The visiting guests constituted a gay party and came in a wagonette all together.

Died at Barnely.

Willie Van Coffman, the infant son of Sam Coffman, of Barnely, died Wednesday, Nov. 2, and was buried the next day at Lisman, Webster county. The parents have the sympathy of their many friends,

An ad. in The Bee Reaches the People

Home Made

Have your cake, muffins, and tea biscuit home-made. They will be fresher, cleaner, more tasty and wholesome.

Royal Baking Powder helps the housewife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layer-cake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.

Royal is the greatest of bake-day helps.

ROYAL BAKING POWDER CO., NEW YORK.

COLORED COLUMN

EDITED BY J. H. GOUGH.

John Brooks returned from Evansville Sunday where he had been visiting friends.

Malinda Gilchrist came from Madisonville Sunday very sick. She is stopping with her father.

George Scott, of St. Charles, was in Earlington Sunday.

Taylor Larker came over from St. Charles Sunday.

Mr. and Mrs. Fowler, of Moravia, visited Mr. Rogers and wife Sunday.

Felix Webster, of Moravia, visited Earlington Monday.

Allice Herman, of Hopkinsville, visited her daughter, Janie Herman, last week.

Mrs. Joe Hargroves and several others from the boarding house went to Madisonville Sunday to the baptizing.

Emma, Watkins is visiting in Barasie this week.

Will Newell and James McCarty have gone to Erin, Tenn., to cast their vote.

Sam Hanson, of Empire, visited Earlington Sunday.

The A. M. E. Zion choir will give a grand concert at white Masole hall Nov. 24th at night. The annual miners' feast will take place at the same place on the largest scale of the stewards board No. 1 of the church. Dinner will be served from 12 noon until 12 at night. The public is invited to come out. All kinds of meats will be the same.

The Mount Zion Baptist Sunday school with Wm. Killbrow as superintendent is doing remarkably well. The classes are well under a drill. The teachers are full of interest and enthusiasm. The third class with Ike Edmondson as teacher, is doing commendable work. He is an untiring worker and the results are the largest class and the best teachers in the Sunday school. In the last seven weeks they have given \$16.66. The other teachers are doing good work and their classes are well attended. The school has 91 in regular attendance.

Eliza Annos, the secretary of Mount Zion Baptist School will give a concert at white Masole hall on Nov. 24th. It and the supper promises to be a grand affair and you will feel that you are well repaid for the

slight door fee.

The Young People's Baptist Union will be reorganized next Sunday afternoon at the Baptist church at 3 o'clock p.m. Let both young and old come out and help make it a success.

The Sunday school has purchased a new library case and hope to fill it with song books, bibles and Sunday school literature.

Following is the programme for Sunday, Nov. 13, 1904:

Topic for discussion, "Our Partnership and Fellowship." 1 Chor. 12:28-31; 13:1-13.

Programme opens with singing.

Scripture Lesson by Mrs. Ella Osborne.

Prayer.

Singing.

Memory verses recited as the roll is called.

Opening address by Prof. T. H. Moore, after which the discussion is free to one and all to take part with reading, singing, prayer, or in any way suitable to the occasion and fitting to the subject to be discussed.

RECLA NEWS-COLORED.

Quite a number of our people attended the meeting in Earlington Sunday night.

Jimmie Leavell, who has been ill with the fever, is able to be out.

Matilda Peterson, of Pembroke, is here visiting her daughter and son-in-law, Will Logan and wife.

Sherby Gardner, of Madisonville, visited his brother, George Love, Saturday and Sunday.

Uncle Titus Parker, who has been ill for some time, is improving.

Florence Offutt, Abell Bryant, Sallie Isabel, William Quarles, Ed Isabel and Frank Springfield attended the meeting in Earlington Sunday.

Mrs. Gus Grady and little daughter, Irene, visited Saletta and Perry Grady this week.

Rev. White preached for us last Sunday morning.

Mary Scott, who has been on the sick list, is now able to attend to her household duties.

Mary Logan spent Sunday with Mrs. Jimmie Tally.

One of our young girls seemed to be all smiles last Sunday since a certain fellow got back from St. Louis.

Estella Eaves, Dora Robb and Bertina Wright were in Earlington Sunday evening.

ROOSEVELT'S ELECTED

The Republican Ticket Sweeps the Country.

VERDICT ALMOST UNANIMOUS

New York State is Republican By 185,000.

Judge Parker Failed to Carry Even His Own Voting Precinct at Exopus.

Judge Parker Admitted His Defeat Almost Before the Polls Closed—Republican Carried Every Doubtful State.

New York, Nov. 9.—The republican national ticket has been elected by vote in the electoral college that will exceed that of 292 given for McKinley in 1900. The result of Tuesday's balloting was astounding even to the most sanguine of the republican managers. Confident as they were of success, they were not prepared for the astonishing figures which followed the closing of the polls, bringing into the republican column not only all of those states they had claimed as safe for their candidates, but with the possible exception of Maryland, every state classed as doubtful.

Democratic successes are confined to the solid south, in which Kentucky is included, and Mr. Parker has not carried a single state which did not give its vote to Mr. Bryan four years ago. Unofficial returns indicate that the large vote in Chicago, estimates on the part of the republican managers, carried it to 5,000.

Chicago, Nov. 9.—Twenty-eight precincts in Chicago give Roosevelt 1,131; McKinley 1,000. The republican ward, which has been strongly democratic since 1880, has carried it by 2,500.

Chicago, Nov. 9.—Four hundred and forty precincts in Chicago give Roosevelt 1,131; McKinley 1,000. The republican ward, which has been strongly democratic since 1880, has carried it by 2,500.

Chicago, Nov. 9.—Returns indicate that Roosevelt's majority in Chicago may be as high as 10,000. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

Chicago, Nov. 9.—Returns indicate that Roosevelt's majority in Chicago may be as high as 10,000. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

Chicago, Nov. 9.—Returns indicate that Roosevelt's majority in Chicago may be as high as 10,000. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

Chicago, Nov. 9.—Returns indicate that Roosevelt's majority in Chicago may be as high as 10,000. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

Chicago, Nov. 9.—Returns indicate that Roosevelt's majority in Chicago may be as high as 10,000. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

Chicago, Nov. 9.—Returns indicate that Roosevelt's majority in Chicago may be as high as 10,000. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

desert and offered no explanation.

Soon after Mr. Belmont, chairman, Judge Parker acknowledged the situation by telegraphing President Roosevelt his congratulations.

The perfect weather conditions which prevailed over practically the entire country brought out a vote which experienced politicians predict will be a record-breaker, and in this increase of ballots the republicans gained more than their share. It is not only a year of phenomenal votes, but of phenomenal republican majorities as well.

Pennsylvania heads the list as the banner plurality state with the magnificent plurality of 325,000; New York comes next with 185,000; Nevada, which was carried by Bryan four years ago, is republican, and the indications are that Montana, Idaho and Colorado, also democratic in 1896, have gone back to the republican column. Delaware is estimated at about 5,000 republicans; Massachusetts about 90,000, and Connecticut, in which the moral campaign of the democratic leaders resulted to have had hopes, is about 25,000 for Roosevelt.

While on the national ticket the democrats have suffered a crushing defeat, they have retrieved themselves on some state tickets. They have reversed the national vote by electing governors in Massachusetts, Minnesota and probably in Colorado.

At a late hour dispatches received from Missouri said that the democratic claim the state by 35,000, but that the republican state committee does not concede this. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

Chicago, Nov. 9.—Returns indicate that Roosevelt's majority in Chicago may be as high as 10,000. The republican state committee put forward the claim that Missouri has gone for Roosevelt by 5,000 plurality.

merely estimate the result. Roosevelt's plurality in the state will be from 3,000 to 4,000.

Omaha, Neb., Nov. 9.—Nebraska will give Roosevelt a plurality which will reach nearly 60,000. George W. Borge, the fusion candidate for governor, has a plurality of from 3,000 to 4,000. The returns on the republican ticket are coming in slowly, but indicate that the republicans will elect most of their candidates.

Philadelphia, Nov. 9.—The United States Senator Penrose, republican state chairman, said that the republican ticket of the state indicated that the majority of 25,000 was claimed by the republicans, if not exceeded. It is a great victory for the republicans.

Philadelphia, Nov. 9.—The republican ticket of the state indicated that the majority of 25,000 was claimed by the republicans, if not exceeded. It is a great victory for the republicans.

MINING NOTES.

It is reported that Mr. C. C. Hatfield is making preparations to sink a coal shaft near Owensboro as soon as arrangements can be made.

Mr. Ed Griggs, of No. 9 mine, has resigned and will move his family to Mercer Station, Ky., where he will make his future home.

Mr. D. Steward Miller, who is operating mines near Hawesville, Union county, installed several pumps and an extra relief boiler at his mines last week for the purpose of draining them of water. The mines have been abandoned for some time and if the water can be removed operations will be resumed at once.

Some export coal has been recently going from the Hopkins county field to southern ports. This sort of trade adds to the output tonnage of the mines but does not increase the average sale price of the product, having instead a contrary effect. It is a filler however and provides for so much additional labor at the regular rate of wages, so that the coal mine employe and those with whom he spends his earnings are almost the sole gainers from this class of trade.

The brief shut down of Illinois mines, occasioned by a strike of about 1,000 hoisting engineers, was settled by the striking engineers accepting the slight reduction of about 5 per cent in wages. The stoppage of output was insignificant and found most large consumers well stocked with fuel in anticipation of such a strike. The little flurry caused in the coal trade brought some quick orders to the Hopkins county field for a day or so but for small amounts of coal and at close figures.

WATER WORKS BONDS

Question Defeated at Madisonville.—
Princeton Voted for Water.

Madisonville voted Tuesday on question of issuing \$50,000 bonds to establish a system of waterworks. A small majority was recorded in favor of the bond issue but two-thirds majority was required and the issue was defeated.

Princeton voted favorably to issue \$95,000 bonds to put in and maintain a system of waterworks for that town.

Smallpox at Mortons Gap.

Eleven cases of well defined smallpox have developed at Mortons Gap among the colored population. The authorities have established a detention camp of tents and cases are isolated some distance from the town and every precaution will be used to keep the disease from spreading.

A number of Earlington people attended services at Mrs. Berry's home, one mile from Daniel Boone, Sunday, Oct. 30. Two sermons were delivered, with several mourners and one conversion as a result. Basket dinner on the grounds. Those present were: Rev. A. J. Pittman, Rev. and Mrs. J. W. Lester, James Hankins and family, Henry Smith and family, Mr. and Mrs. J. K. DeVault, Mr. and Mrs. Henry Clements and daughter, B. S. Todd, Mrs. Mary Wyatt and son, Roy, and eight or ten neighbors.

Notice to Red Men.

Bro. H. H. Eshardt, Great Sachem of Kentucky, has arranged to be with Stand Wattee Tribe, No. 57, I. O. R. M., on Saturday night, Nov. 12. It is desired that all members of Stand Wattee Tribe, No. 57, will be present at this meeting.

ROOSEVELT IS ELECTED

(Continued from 6th Page.)

ticket is elected by pluralities that will fall but little below the head of the ticket.

ALABAMA.

Montgomery, Ala., Nov. 9.—H. S. D. Mallory, chairman of the democratic state committee, said: "Alabama has cast the largest vote in years. The majority of the Parker electors will be 75,000, probably."

WASHINGTON.

Seattle, Wash., Nov. 9.—Incomplete returns from 28 precincts in King's county give Wood, republican, for governor, 75,000. Roosevelt is running ahead of these figures in every precinct heard from.

DELAWARE.

Wilmington, Del., Nov. 8.—Roosevelt has carried Delaware by about 5,000, and the republicans elect the governor and congressman. The legislature will be overwhelmingly republican.

TEXAS.

Austin, Tex., Nov. 9.—Early returns show that the vote cast Tuesday will be for Roosevelt, 50,000, which would be cast for Parker, 50,000 for Roosevelt, and the balance scattering.

KENTUCKY DEMOCRATIC

About 15,000 Plurality—All Congressmen but one Probably Democratic.

Returns last night from the State were complete but everything seems to indicate about 15,000 Democratic plurality for Parker. In the Congressional election the Democrats have elected in each of the districts except the Eleventh unless, upon official count the close election in the Third district should fall into the Republican column. Richardson (Dem.) seems to have a majority of several hundred on the returns received, but Republican leaders claim the missing precincts will elect Jones.

The indications are that the next Kentucky delegation in Congress will be as follows:

- First District—Ollie James (Dem.)
- Second District—A. Owsley Stanley (Dem.)
- Third District—J. M. Richardson (Dem.)
- Fourth District—David Smith (Dem.)
- Fifth District—Swager Sherry (Dem.)
- Sixth District—Joe Rhinock (Dem.)
- Seventh District—South Trimble (Dem.)
- Eighth District—Geo. C. Gilbert (Dem.)
- Ninth District—James N. Kehoe (Dem.)
- Tenth District—T. A. Hopkins (Dem.)
- Eleventh District—D. C. Edwards (Rep.)

MISSOURI REPUBLICAN.

First Time in Twelve Years Goes With the Grand Old Party.

Latest news as we go to press is that Missouri has certainly gone into the Republican ranks and will cast its 18 electoral votes for Roosevelt and Fairbanks. The legislature which will elect Senator Cockrell's successor is probably Republican. Folk, Democrat, is probably elected Governor.

More good is done by dispensing good cheer than by giving away dollars.

TRANSFORMATION SCENE.

DIXON & MUSTARD IN "HUMPTY DUMPTY" AT TEMPLE THEATRE MONDAY, NOVEMBER 14.

MORTONS GAP NEWS.

Ed Blanks, of Earlington, called Saturday.

Mr. Keith, of Crofton, is visiting his brother, Dr. Keith, this week.

Jack Hale, of Chesley, called to see his best girl Sunday.

Mr. and Mrs. Ruben Miles spent Saturday night with Samuel Creek.

George Stokes got out to vote Tuesday; after being confined to his room several days.

Misses Edna Blanks and Carrie Covle, of Earlington, spent a few days visiting friends here.

Carl Blanks, the popular salesman for Ashby & Baker, and wife called to see his father Sunday.

Clove Medlock, of Madisonville, called Sunday.

There is some talk of a wedding here real soon.

Adelbert Cobb, of East St. Louis, called Saturday to spend a few days with friends. Everybody welcome him and wish him a good time.

Will Kimmons made his regular call Sunday.

Owen Oldham, of Daniel Boone, has accepted a position with the St. Bernard.

Bert Southard has gone to work for the L. & N.

Some of our boys will have to be reformed if they don't watch out for misbehavior in church.

Mrs. Myrtle Jarvis, of Calhoun, is the guest of Mrs. Alice Davis last week.

Bert Southard visited home folks Sunday.

Mrs. Sada Downey, of Graham, visited home folks last week.

Cleave Medlock came home to visit.

Will Kimmons stayed over to eat his vote.

Will Phillips ran a dago stand election day.

We had preaching Saturday and Sunday.

Dr. E. T. Almon will leave for the West soon.

Dr. Keith will take Dr. Almon's place here when he leaves.

Sade Grastry returned from a trip around the world Monday. Sade reports a good time.

We have a young man in our town if he would stop to think there are lots of people on earth that never heard of him.

Mr. Glen Ferguson and Miss Bertha Franklin surprised their friends by eloping to Springfield, Tenn., Sunday where they were married.

Temple Theatre Nov. 14.

Commercial Fertilizers.

As to how and why commercial fertilizers affect plant life and therefore pay, there appears to be a wide difference of opinion among the self-styled. The Government Bureau of Soils emphatically discredits the theory that the analysis of a particular soil will reveal deficiencies in certain chemical constituents, which can then be profitably supplied by the use of commercial fertilizers, containing the lacking elements, and presents some cogent reasons for its skepticism on this point. Prominent among these is the fact that in no instance does the analytical chemist advise the application of as much fertilizer as is indicated to be lacking by their analysis.

That commercial fertilizers pro-

mote plant growth under certain conditions the bureau admits, and it is conducting experiments with a view to ascertaining the reason why. It is still too early to say precisely what this influence is, but some startling suggestions are advanced by the soil experts. For instance, they say it appears thus far that the chemical fertilizers usually act on the plants rather than on the soil, enabling it to absorb and digest a greater amount of plant food than would otherwise be possible precisely as a dose of pepsin acts on the human stomach; or, again, as a stomach, just as whiskey or nitroglycerine will act on the human circulation.

The belief is generally entertained in the bureau that the amount of fertilizer which the most lavish exponent of this class of farmers advocates is too small to act on the soil, or even to be distinguished in any subsequent analysis of the soil, even though the deficiency, as shown by the prior chemical analysis, was most marked and the application most generous.

Mr. Harvey W. Wiley, chief chemist of the Department of Agriculture, agrees with the analytical chemists that the proper analytical chemists that the proper analysis will show in what directions the soil is deficient in plant food, yet at the meeting of the Association of Agricultural Experiment Stations last fall, Dr. Wiley said: "When a man sends me a specimen of a given soil, and writes, 'Please analyze this soil and let me know what crops I can grow on it,' I send him word, 'Ask your soil itself what you can grow on it; in that way, asking your question direct to the soil, you can get your answer, and in no other way.'"—Kentucky Farmer and Breeder.

Care of the Farm Horse.

No man with horse sense will ever kick a horse.

In nearly all cases a district that is noted for its good horses is noted for its prosperity.

High coals on horses' shoes have a tendency to cause contracted heels and quarter cracks.

Worms in horses not only irritate the intestines, but rob the animals of the nutriment in the food.

No branch of the live stock business pays better when properly handled than does horse raising.

The most desirable horses are not always the handsomest; while beauty is desirable it is not absolutely essential.

The man who has first class horses on his farm has something that he can turn into cash at any time he desires.

In giving horses a run in pasture for rest and recuperation it is a grave mistake to take all the grain away from them. The change is too sudden and always works harm.

Keep the horse stables or stalls cleaned out during this kind of weather. Don't let there be any damp, moldy places anywhere. If not on pasture, let the horses run in a lot at night.

If the mare has become heated, draw some of her milk by hand, and do not let the colt nurse until she has become cooled. It is best to avoid heating her, for there is always danger in it. Light work will not injure her nor the colt, but judgment must be used.—Midland Farmer.

An Opening for Young Men.

There seems to be an extraordinarily good demand for men who are capable of superintending large poultry plants. We had three inquiries for such men in one week lately, and within six months have received a half dozen other inquiries of the same sort. Any young man of ordinary intelligence and a little push would do well to fit himself for a position of this kind, as new poultry farms are being established each year and the demand for expert help will increase proportionately. This is a good opening for young men and they should take advantage of it.—Commercial Poultry.

The Question of Grit.

The question of grit does not have nearly enough consideration. When the ground freezes up and becomes covered with snow it is impossible for fowls to find sufficient grit to grind all the food naturally for the formation of eggs in winter. For this reason they should have a plentiful supply of both grit for grinding and oyster shell for forming the egg shells.—Country Gentleman.

It costs no more to raise first class stock than to raise poor or intermediate grades. This is an axiom. An axiom, it will be remembered, is a truth that does not need demonstration.

Then, if it does not cost more on a farm to raise the better class of stock, the first thought in a live stock breeder's mind should be improvement. This may in some instances be necessarily a slow process if one is limited somewhat in means. But persevere and start in a small way. One will learn gradually the best methods in feeding, breeding and general care. This will, when most needed, be a rich experience, and with a start in stock of which one has a personal knowledge, much more can be accomplished than with several thousand dollars spent on a strange bunch of cattle. Decide as early as possible whether to raise stock for market or for milking, and breed accordingly. A heifer with a thick neck and a tall bone that is too large had better be sold for beef—if she has a small tail bone and slender neck, keep her for a milk cow.—Cecil Abel Todd, in Epitomist.

The very best winter egg yield is gained by those who keep their poultry confined continually in the hen house from the beginning of winter to the coming of spring. Thousands and thousands of the most productive hens are thus kept in houses for the purpose. For this nothing is better than the connected apartment poultry house, all apartments being built under one roof, with divisions between the separate colonies of hens, allowing about 150 square feet of floor space to every thirty hens. In other words, a house that has a floor space of 10 by 15 feet would furnish room enough for thirty hens to prosper and do well therein all winter providing there were dry floors, dry interior and a good thick covering of dry sand or earth beneath eight to twelve inches of litter. Such a house, if kept reasonably clean, would provide a satisfactory, healthy home for the hens through the winter, even if they never had the opportunity to go outside.

It is quite necessary to destroy the various unpleasant odors about the farm, and is easily accomplished at very little expense. Sulphate of iron (copperas) is very cheap and a solution of this sprinkled about the stables, pig sty and cess pools will completely neutralize the bad odors and make the place more healthful and more pleasant. It should be used liberally about cess pools and drains, but less will be effective about the stables, where it may be sprinkled from a garden sprinkler or with a broom.

The high price of grain the most of the time for several years has caused many dairymen to give scanty rations to their stock with the mistaken idea that milk cows would get a rest and do as well or better than when a full ration was given.

The most successful way to raise stock is first, to make a good pasture, then select the best breeds; then grow plenty of forage and grain; make good shelters and give close attention to every detail of the business.

Tobacco Growers.

The Trigg county Tobacco Growers' Association has completed its present organization. E. E. Wash has been made president and Judge G. B. Bligham secretary. Election day was used as a time for adding to the membership, a man being detailed in each precinct to solicit names.

Tea Drinking Among Children.

It has been stated by physicians that the practice of tea drinking among the children of the poor is very prevalent. Even little ones less than two years old are given tea, never realizing the disastrous results that may follow to the growing child, in the way of nervousness and other troubles.

Physicians who work among the poor are discouraging this practice as far as possible, and advising water as a beverage, either cold or hot with a little milk added, making that drink known in many families as "cathartic tea." Women, too, who know better than to give tea to babies, might do much good by instructing those who do not better; not in an intrusive way, but by perhaps saying, "My doctor says it is harmful to give children tea, so I have stopped it altogether." And the ignorant women, with the doctor's opinion placed before them, will more often than not, listen and profit by it, for they have much confidence in a physician.—Detroit News-Tribune.

A Good Complexion.

"Sparkling eyes and rosy cheeks restored by using Dr. Witt's Little Early Risers," so writes S. P. Moore, of Naacogoches, Tex. A certain cure for biliousness, constipation, etc. Small pill—easy to take. Sold by St. Bernard Drug Store.

To California

Via Seaside Colorado or True Southern Route. Daily through Pullman standard sleeping cars, St. Louis to San Francisco, via the Missouri Pacific Ry. and Seaside Colorado. Elegant tourist sleeping car service every Tuesday and Thursday from St. Louis. Daily through Pullman standard sleeping cars, St. Louis to Los Angeles, Cal., via Iron Mountain Route—the True Southern Route. New tourist sleeping car excursions via Iron Mountain Route and El Paso, leave St. Louis every Tuesday and Saturday. The service and equipment is strictly up to date. Round trip and low rate one way tickets are on sale via Iron Mountain or Missouri Pacific Ry. from all principal points in the East. For berth reservations and full information, address any representative Missouri Pacific Iron Route System or R. T. G. Matthews, T. P. A., Room 801 Norton Bldg., Louisville, Ky., or N. C. Townsend, G. P. & T. A., St. Louis, Mo.
